I cover luxury fashion.

Whether he's a lover of at home fresh grooming products or walks outside in town and country, there's no better time to elevate your father's style with modified design and a heavy dose of maximum comfort!

Father's Day allows us a chance to show our appreciation and gratitude. As a family unit, we are stronger together. In understanding challenging economic times—for most Americans, I have selected the best fashionable gifts for dad—including a wide price-range to accommodate all good father's around this great nation.

Wishing all great Father's a Happy Father's Day!

The SlapLit LED Drink Wrap is still the best gift for Father's Day for several reasons: - like everyone else, dads are spending more time outside these days and want to enjoy a cold beverage while grilling or relaxing, It's unique LED design stands out, it's not your typical insulated drink holder-It lays flat for easy storage, and simply "slaps" around cans and bottles when put to use -The battery has a long run time, 100 hours, and a replaceable battery is included. It comes in red, blue, green, or USA and can be set to flash or glow modes at the push of a button. **The price in US dollars: \$11.99**
