

## Nite Ize Introduces Everyday Carry Knives and Multi Tools at Outdoor Retailer

**BOULDER, Colo., July. 23, 2018** – Nite Ize®, a leading manufacturer of innovative solution-based products, is expanding their line of [DoohicKey® key tools](#) with full-featured folding knives designed for the fast-growing everyday carry consumer market.

“We wanted to combine the usefulness of a pocket knife with the convenience of a key chain accessory,” Nite Ize Founder and CEO Rick Case said. “Our key chain knives are designed to offer premium quality in a size that’s small enough to carry on your keys.”

Nite Ize is also broadening their [Financial Tool®](#) line with the new [Financial Tool Money Clip + Pocket Tools](#), which takes multi tool wallets to the next level with useful swing-out tools.

[DoohicKey Key Chain Knife](#): With a compact key-sized design, this Key Chain Knife fits perfectly on your keys without adding bulk. The lightweight aluminum body houses a two-inch fold out blade with a lock-back design. A twist-to-lock S-Biner® MicroLock® dual-gated carabiner secures the knife to key chains while making removal quick and easy. Designed to last, the 420j2 stainless steel blade maintains a sharp edge. Available in blue, green, and orange with an MSRP of \$11.99.

[DoohicKey Key Chain Hook Knife](#): A lightweight aluminum body houses a durable two-inch lock back blade that locks securely in place when cutting. By engineering this knife with two cutting edges, the Key Chain Hook Knife combines the benefits of a standard cutting blade with a hook knife’s ability to easily open boxes without damaging the contents inside. The included S-Biner MicroLock dual-gated locking carabiner makes this knife as easy to remove as it is to use, while the high-quality 420j2 stainless steel blade holds a sharp edge. Available in blue, green, and orange with an MSRP of \$11.99.

[Financial Tool Money Clip + Pocket Tools](#): Nite Ize is expanding its wallet-sized multi tools with a whole new level of functionality. This Money Clip + Pocket Tools holds cards and cash securely while offering the convenience of fold-out tools in a low-profile credit-card sized package that easily fits into pockets. A retractable pocket clip keeps this wallet secure and comfortable, while three swing-out tools including a bottle opener/flathead screwdriver, can opener/Phillips screwdriver, and hook knife/cutting edge mean this money clip does it all. Available in stainless steel with an MSRP of \$24.99.
