Nite Ize Debuts G-Series Dual Chamber Carabiner

Inventive Design Features Two Gated Chambers Securing Keys in Place

BOULDER, Colo. – Jan. 20, 2021 - [Nite Ize®](#), a leading manufacturer of innovative solution-based products, today introduced the **G-Series™ Dual Chamber Carabiner** for keeping keys and small accessories organized and secure, arriving at retail mid-February. With a stainless-steel body and two gated chambers, the G-Series expands upon their selection of convenient key accessories, adding features for enhanced security and accessibility.

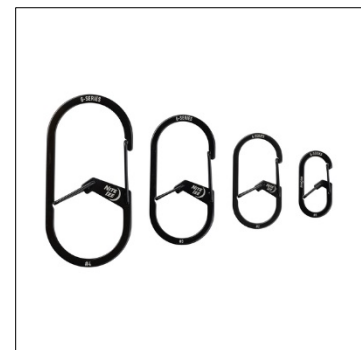

“We are committed to providing best-in-class functionality to everyday products that solve problems,” said Rick Case, Nite Ize founder and CEO. “As an inventor-friendly company, we welcome innovative ideas from our partners, supporting innovation in the simplest forms, which is why we were very interested in this design when it was presented to us.”

[G-Series Dual Chamber Carabiner](#): Featuring a clean, intuitive stainless-steel design, keys and gear easily clip into the first chamber of the carabiner and pass through the inner gate to the second chamber to stay secure. Available in Stainless and Black, the G-Series Dual Chamber Carabiner comes in four different size options, offering versatility to suit individual needs. MSRP: \$3.49-\$5.49
