**Nite Ize Debuts Steelie Phone Mounts with Patent-Pending Squeeze Technology**  
Apple® MagSafe® Compatible Mount Expands Mobile Products Collection

**BOULDER, Colo. – Jan. 20, 2021 –** [Nite Ize®](#), a leading manufacturer of innovative solution-based products, today launched the Steelie® Squeeze™ Clamp, available in Dash, Vent, and Windshield Kits for hands-free phone viewing in a vehicle. Available in mid-February, the innovative Squeeze Clamp diverts from existing mounts with an easy-to-squeeze, yet ultra-secure design that supports inductive charging.

The **Steelie Squeeze Clamp** secures virtually any phone with a case and accessories, featuring inner continuous force springs to create an ultra-strong hold that can easily be opened or closed by pinching the geared levers at the bottom of the Clamp. The innovative Clamp features a magnetic socket on its back to attach to any Steelie mount, allowing for smooth 360° rotation to virtually any viewing angle. Additionally, the Steelie Squeeze Clamp will be available with a mount as a **Dash Kit, Vent Kit, Windshield Kit** and as a standalone component.
