

## Divide & Conquer with Nite Ize SlideLock 360 Magnetic Locking Dual Carabiner

**BOULDER, Colo., July, 26, 2017**– When accessibility is necessary but security can't be compromised, the [SlideLock® 360° Magnetic Locking Dual Carabiner](#) is the perfect solution. These dual locking carabiners from Nite Ize® are connected by powerful neodymium magnets and can be used together or independently for quick access to small items like keys, gear or tools and provide trusted security.

“The genius behind this product has to do with the magnetic connection,” [Rick Case said, Nite Ize Founder and CEO](#). “I think users will find it interesting to be able to disconnect one carabiner and give it to the mechanic while they keep hold of the rest of their keys or remove a gym key and leave the other half in the locker. The convenience of the SlideLock 360 Magnetic Locking Dual Carabiner leads to so many practical ways to quickly and conveniently attach or separate keys and gear.”

When the two carabiner components are attached, they can be locked together for added security by twisting and tightening the cast aluminum collar. Even when the collar is locked, the carabiners are still able to rotate. The collar can easily be unlocked with just one hand. The SlideLock feature of the carabiners can also be locked or unlocked with just one hand, making it extremely quick and easy to use.

Available in blue and charcoal for \$14.99, the SlideLock 360 Magnetic Locking Dual Carabiner will be available on [NiteIze.com](#) soon.
