SqueezeRing Easy Load Key Ring, HideOut Magnetic Key Box & DoohicKey FishKey Tool

BOULDER, Colo., Jan. 9, 2018 – Key accessories may seem small, but they can be a big part of everyday life. Nite Ize®, a manufacturer of products that solve everyday problems, reveals three new key accessory products that users will never want to leave home without. Introducing the SqueezeRing™ Easy Load Key Clip, HideOut™ Magnetic Key Box and DoohicKey® FishKey™ Tool.

SqueezeRing Easy Load Key Clip: All it takes is a gentle squeeze to easily load keys onto this uniquely designed split ring. Formed from heat-treated stainless steel with a strong built-in clip, the SqueezeRing easily and securely attaches to pockets, purses, bags, and almost anywhere. Available in black and copper, the SqueezeRing is \$4.99 MSRP.

HideOut Magnetic Key Box: Introducing a whole new world of high-quality, waterproof magnetic storage. With a watertight seal and two powerful neodymium magnets, this durable magnetic container is perfect for hiding keys and more under a vehicle and around the home without worrying about whether the elements will damage its contents. An included metal plate with 3M® VHB® adhesive allows the HideOut to be attached to non-metal surfaces, like under wooden decks, plastic tables and more. Available for \$9.99 MSRP.

DoohicKey FishKey Tool: The DoohicKey FishKey Key Tool is a fish-shaped multi tool that attaches to a key ring using a stainless steel S-Biner® double-gated carabiner clip so it's always at hand when needed. This product's clever design incorporates a bottle opener, a serrated edge, and a flat-head screwdriver. The DoohicKey FishKey Key Tool is travel and airport friendly. Available for \$5.99 MSRP.
