

# Presenting iPhone Life's Best of CES 2016 Winners!

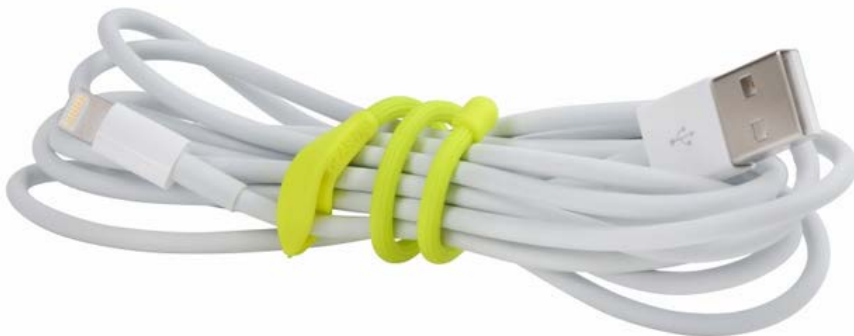

By Rheanne Taylor updated on 03/01/2016

Looking for a glimpse into the future? That's why hundreds of thousands of people flock to Las Vegas each year for the annual Consumer Electronics Show, where tech companies from all over the world debut their most innovative new products.

A dedicated team of *iPhone Life* writers combed the far reaches of every hall to find the coolest new tech for your iPhone or iPad. Our Best of CES 2016 awards went to the most forward-thinking, creative, and useful iOS-related gear coming to market this year. We couldn't have done it without our all-star crew, [Becca Ludlum](#) and [Todd Bernhard](#).

## [Nite Ize Gear Tie Cordable](#) (Starting at \$4.99)

Sometimes it's the simple things can offer us just what we need. These reusable rubber twist ties by Nite Ize are a convenient way to secure your collection of cords and wires, featuring a strong metal wiring on the inside that allows the ties to keep their form.
